### Camp memories

I had fun at camp. I got to see my sister every day, Well ,close to every day. We help the blacksmith collect pine cones. One thing I learned about blacksmithing is:"do not touch the metal!"(it's the number 1 rule)

The counselor that I had was nice. her name was Runa. she would say goodnight to everyone every night.

Runa took good care of us. We had fun playing with her during free time and most of the girls loved to play with her at the pool. I had a blast at camp!

My favorite class was archery, our teacher was really good. I didn't know how to shoot a bow and arrow at first, but I got it on my second try! I'm super happy that I hit the target, my mom was so proud. Lots of my friends were good at archery too. Ashlyn was the best in my class.

My second favorite class was pottery. I had so much fun making a dragon with one of the teachers! I made the dragon for my mom because she likes dragons. I really liked getting messy.

My favorite evening activity was the fire show. It had so much action. All of the dancers were really talented. It was super cool to see all of the moves they had!

This year was a blast! I can't wait to come back next year. I love Sherwood! (Except for the bugs)

Love,
